MASK CARNIVAL

To Be the Big Feature of Tobacco and Corn Fair—Formation of Parade Announced.

The committee in charge of the mask carnival for Saturday night of next week have practically all the plans completed. Rehearsals are in progress for the court scene and coronation of King and Queen which is to take place at the Liberty Warehouse on this occasion.

One of the most elaborate and enjoyable affairs of the Fair will be the parade which is to start at 7:30 o'clock.

The parade will march out Second street to the Warehouse, where all the events will take place.

The following formation is planned for the parade:

Uncle Sam.
Minute Men.
Police Department.
Eabarger's Band.
High School Girls.
King's Float.
High School Boys.
Rube Band.
Fire Department.
Business Men's Floats.
All other masked.

JOHN J. WINTER

Victim of Heart Disease and Dies Suddenly at Home of Brother in This City Yesterday Morning.

Mr. John J. Winter, of Ellery, Ill., aged 74 years, dropped dead yesterday morning about 7 o'clock at the home of his brother, Mr. Thomas J. Winter, on Court street.

Mr. Winter has been the guest of his brother here for the past several months. He was a native of Mason county, having been born and reared in Mason county.

He was a veteran of the Civil War, having enlisted in the Second Kentucky Cavalry, Company L, of the Union army and serving for over three years. At the close of the war he returned to this county and engaged in business with his brother, later moving to Ellery, Ill., where he accumulated a small fortune.

Besides his brother, Colonel T. J. Winter, of this city, he is survived by three sons and one daughter—Mrs. J. S. Sldwell and Mr. Orin Winter, of Clarinda, Iowa; Mr. Harry Winter, of Nebraska and Mr. Thomas Winter, of Ellery.

The body will be prepared for burial and shipped to his former home in Ellery. Interment in the Fairfield, Ill., cemetery.

TOWBOAT STRANDED

The steamer Val P. Collins, one of the biggest towboats on the Ohio river, ran onto a sandbar just below the government dam yesterday morning and is now held fast. She has a heavy tow of barges. The steamer is not damaged to any great extent and will be able to float again as soon as the river rises sufficiently.

ANOTHER MASS MEETING

IN INTEREST OF Y. M. C. A. WAR WORK TO BE HELD SUNDAY AFTERNOON AT WASHINGTON TONIGHT—All Reports Very Encouraging.

Mason County's Total Subscriptions Last Night \$4,586—District Expected to Go Over the Top Tonight—All Reports Very Encouraging.

Another Y. M. C. A. War Work mass meeting will be held in the Washington Opera House Sunday afternoon at 2 o'clock.

This meeting will be in the form of a rally for all the workers and contributors. The committee expects to make a report of all the subscriptions to date of city, county, state and nation.

Hon. John P. McCartney will be the principal speaker and we are expecting him to give us some very helpful and interesting thoughts bearing on the work.

A fine musical program is being arranged. Miss Amy King will sing a solo. A mixed quartet composed of Miss King, Mrs. H. H. Barkley, Dr. P. G. Smoot and Carl Dadds will render several selections.

Cleve Grover, a former Mason county boy, but selected from Robertson county, now at Camp Zachary Taylor, is expected to be present and make a few remarks.

No doubt this will be the banner meeting in both attendance and enthusiasm. Be sure and be present and bring your friends.

The Y. M. C. A. subscriptions are still climbing the ladder throughout the county and district.

The one big feature of the campaign was the meeting Mr. J. B. Wood and Mr. R. A. Cochran assisted with at the High School yesterday morning. They reported they never witnessed such enthusiasm as those High School young men and women displayed. \$700 was subscribed. This sum is to be earned by the young men and women. We feel that the parents of the boys and girls are back of this grand patriotic spirit they have shown.

Chairman W. H. Rees reports that several very interesting boys meetings were held yesterday at Lewisburg and Springdale. Through the efforts of Mr. Wadsworth Clark one boy's subscription was obtained at each school.

Mr. Casey reports some mighty fine results in his trip through the county accompanied by Rev. Locke White.

The Dover school subscribed \$50; Minerva, \$50; Germantown made an extraordinary effort and came over the top with \$100. The High School boys of the Germantown School did heroically. They were only 14 in number, but came across with \$60, not a boy in the group giving less than \$2.50.

Mason county turned in \$339.75 subscription yesterday through the different wards and districts. Mason county's total last night including the boys' subscription was \$4,586.

District No. 11, of which Mr. R. A. Cochran is chairman, was allotted \$13,750. Yesterday's total showed \$11,019 of this amount subscribed.

The following counties subscribed the following amounts:

Fleming	\$2825.00
Bracken	1100.00
Harrison	108.00
Pendleton	600.00
Mason	4636.00
Robertson	450.00
Grant	800.00
Nicholas	500.00
County Chairman Rees suggests that should any person have been missed during the canvass and feel they ought to have a part in the Y. M. C. A. War Work be given the opportunity to subscribe. County Chairman Rees or the Chamber of Commerce will accept any additional subscriptions.	
Boys' Subscriptions	
Maysville	\$710.00
Mayslick	70.00
Washington	60.00
Hectorville	40.00
Orangeburg	20.00
Lewisburg	10.00
Springdale	10.00
Bernard	10.00
Total	\$920.00

A mass meeting is being arranged in the interest of the Y. M. C. A. War Work at the Baptist Church at Lewisburg Sunday 11 a. m. The address will be made by the pastor, Rev. Mitchell.

County Chairman Rees and James H. Wood will be organization representatives at this meeting. A very enthusiastic meeting is anticipated.

Mr. James B. Wood paid a visit to the Forest Avenue School yesterday and received nine \$10 subscriptions from the pupils in the Fifth, Sixth, Seventh and Eighth Grades.

The special feature of the meeting was the one subscription taken by Master Edwin Collins, who expects to earn this by his own labor.

SOLDIERS IN CAMPS

To Be Well Fed on Thanksgiving Day—Perishable Goods Should Not Be Sent As It May Be Delayed in Transit and Spoiled.

Secretary Dadds of the Chamber of Commerce, while thinking of some plan whereby the Mason county boys could be furnished Thanksgiving comforts at Camp Zachary Taylor this year, came on a clipping issued by General Gienna, of Camp Sheridan, in which he stated that it was unwise to send "cans" to the boys, as Uncle Sam was arranging a feed extraordinary for all the boys in camp. Knowing this, and the fact that all the boys in the camp do not have relatives who may remember them at this season of the year, he wrote General Hale, Commanding General at Camp Zachary Taylor, expressing his belief that Mason county wanted to be assured that her boys were being well cared for on Thanksgiving and desired to render any assistance he felt needed. Thursday morning the following reply was received:

"November 13, 1917.
"Mr. Carl Dadds, Secretary,
Maysville Chamber of Commerce,
Maysville, Ky.

"Dear Sir:

"The Commanding General has turned over to me your communication of November 7, 1917. In reply, I would say that the government makes a special allowance for soldiers' Thanksgiving dinner, so that in fact a soldier has a more excellent dinner without any assistance from the outside. I appreciate very much your kindness in making the offer you do to increase the pleasure of Thanksgiving Day for the Mason county men, and would say that I believe the clipping which you send in regard to Chillicothe has a great deal of truth in it. It would be much better to send money to be expended on the Thanksgiving dinner, rather than perishable goods which may be delayed in transit and spoiled. If you should determine to make a collection for the benefit of the Mason county men, you may send the same direct to the Commanding General, 159th Depot Brigade, for all Mason county men are assigned to the 1st Provisional Training Battalion, and that is a part of the 159th Depot Brigade. The Brigade Commander will know to whom to transmit the money so that it will be expended on the proper mess. A copy of this letter has been furnished the Commanding General, 159th Depot Brigade. Should you desire any further information in the matter I will be very pleased to give it, and wish again to thank you for your interest in endeavoring to get for the men a pleasant Thanksgiving.

"(Signed) LAURANCE HALSTEAD,
Chief of Staff.

AMERICAN SHELL FIRE

Hunts For Attacking Trenches—Fighting Along American Front Now Reaching Hot Stage.

American Field Headquarters, France, November 16—American artillerymen planted a roaring barrage of shells over the front trenches held by American infantrymen Thursday and defeated German plans for a raid. Fighting activity along the "American front" is now reaching a hot stage.

Every sort of war activity, short of general assault, is being experienced by the troops in the front-line trenches.

Tuesday and Wednesday nights American patrol parties, scouting over No Man's Land, encountered German reconnaissance units. There were brief, hurried exchanges of shots in the dark and the enemy scurried away.

Meanwhile the enemy artillery fire had been increasing steadily. Wednesday night it reached a crescendo.

Then early in the morning the Boches suddenly loosed a spray of machine gun fire at communication trenches—the lines by which reinforcements and supplies are sent to the fighting lines.

Alive to the fact that this might forecast a raiding attempt, the Americans sent up flares. They flooded the irregular ground in front of the fighting lines with light and discovered a group of Germans approaching the American trenches.

Word suddenly went back from the American commander of the menaced trench section for a barrage.

The American artillerymen got the word by telephone and beat to their guns with top-speed activity. Their battery roared in a tattoo of fury.

Over in front of the American lines the ground was churned up by the shells as they fell thick and fast near the would-be raiders.

Then the Boches gave it up and scurried back to the safety of their trenches and dugouts.

Patrol encounters now are becoming a regular every-night occurrence.

In the clashes of the last few days there have been no American casualties. Whether the Germans have been equally lucky against the American riflemen is not known. Dawn's light over No Man's Land fails to reveal any bodies.

BODY TO BE EXAMINED TODAY BY CINCINNATI DOCTORS

Dr. Otis E. Cameron and Charles E. Howard, expert pathologists, of Cincinnati, are here today to make an examination of the body of Edward "Top" Stewart, which was buried here last Tuesday. Relatives of Stewart and the County Health Board have given their consent to have the body exhumed for examination. Stewart died while a patient at Longview Hospital, near Cincinnati, and it is thought that he may have died from mistreatment at the hospital, as his skull was said to have been fractured. Warrants charging attendants at the hospital with murder have already been prepared in several other cases.

ECONOMY

Economy does not mean cutting down your food to the lowest possible amount required to nourish your body, nor in securing clothes of inferior quality. True economy, to our way of thinking, is buying nourishing clothes of absolute dependability in both style and quality. These are days when men must not only feel well but look well. Good food and good clothes were never so essential.

ANOTHER PROBLEM SOLVED

One of the problems the United States had to face when it entered upon its big airplane building project was the lack of properly seasoned wood. All the air-seasoned wood suitable for the construction of airplanes had been bought up by the Allies for their own needs. The usual process of drying wood for that use required from one to three years—rather a long time to wait for materials needed at once.

But the problem was being solved even before it arose. For some time past the Wisconsin Forest Products laboratory had been working at a new process for drying wood that would take much less time than the air-drying and would be just as satisfactory. The former kiln-drying did not produce wood suitable for airships.

It is now reported that the new process works, that ash and spruce, the woods most in demand for building airplanes, can be kiln-dried successfully, with even less injury to the mechanical properties of the wood than the air-seasoning.

Again science has come to the rescue with new and better methods and with a saving of time that is of vital importance to the nation and to civilization.

UNCLE SAM, JUNK MAN

Any rags, any bones? Any woollen rags, cotton rags, scrap iron, paper bags, tin cans, metal pans, rubber boots, old shoes, old leather, mattress fillings, wool waste, cotton waste, empty bottles, broken glass, bits of brass, celluloid or any other sort of scrap or waste?

Save it up. This is the last call for rubbish conservation. Uncle Sam will be around for it one of these days. For Uncle, on top of his other activities, is thinking seriously of going into the junk business.

Nobody need turn a contemptuous nose at the announcement, either. The Council of National Defense estimates that about \$1,500,000,000 could be saved by the reclamation of all the old stuff we throw away. And many of the things redeemable from our rubbish barrels and scrap piles are sorely needed to carry on the war.

Pinkham's Vegetable Compound is the best medicine I have ever taken and I can recommend it to all suffering women.”—Mrs. PERRY PRASSTINE, Aberdeen, Idaho.

Kingfisher, Okla.—“For two years I suffered with a severe female trouble, was nervous, and had backache and a pain in my side most of the time. I had dizzy spells and was often so faint I could not walk across the floor. The doctor said I would have to have an operation. A friend asked me to try Lydia E. Pinkham's Vegetable Compound. After taking ten bottles I am now well and strong, have no pain, backache or dizzy spells. Every one tells me how well I look and I tell them Lydia E. Pinkham's Vegetable Compound did it.”—Miss NINA SOUTHWICK, R. F. D. No. 4, Box 33, Kingfisher, Okla.

OFFICIALS SEAL GIVEN TO FIVE CLASSES IN WHICH DRAFT-TEES ARE DIVIDED

Married Men As Such Are Not Exempted, But Are Placed Far Down in the List of Eligibles—Exemptions Revoked.

Washington, November 14 — The questionnaire sent to all of the drafted men contains the following notice: Section 4. Revocation of exemption and discharge. All exemptions and discharges made prior to the date of these rules and regulations, and all certificates in evidence thereof, are hereby revoked, and all such certificates heretofore issued shall have no further validity.

Washington, November 14 — The five classes into which 9,000,000 men registered for military duty — and those who are registered hereafter — are divided and the order in which they will be called for service were announced officially today in the Provost Marshal General's questionnaire, which every registered man must fill out and file. The order shows some change from the tentative draft published some time ago. Contrary to some published reports it does not exempt married men as a class, but it does place married men with dependent wives and children far down on the list of eligibles. In fact, the questionnaire indicates that only men of the first class will be called to the colors, except in the gravest emergency.

The five official classifications of registrants follow:

Class I.

a. Single man without dependent relatives.

b. Married man, with or without children, or father of motherless children, who habitually has failed to support his family.

c. Married man dependent on wife for support.

d. Married man, with or without children, or father of motherless children; man not usefully engaged, family supported by income independent of his labor.

e. Unskilled farm laborer.

f. Unskilled industrial laborer.

Registrant who is in respect of whom no deferred classification is claimed or made.

Registrant who fails to submit questionnaire and in respect of whom no deferred classification is claimed or made.

All registrants not included in any other division in this schedule.

Class II.

a. Married man with children or father of motherless children where such wife or children or such motherless children are not mainly dependent upon his labor for support for the reason that there are other reasonably certain sources of adequate support (excluding earnings or possible earnings from the labor of the wife), available, and that the removal of the registrant will not deprive such dependants of support.

b. Married man without children, whose wife, although the registrant is engaged in a useful occupation, is not mainly dependent upon his labor for support, for the reason that the wife is skilled in some special class of work, which she is physically able to perform and in which she is employed, or in which there is an immediate opening for her under conditions that will enable her to support herself decently and without suffering or hardship.

c. Necessary skilled farm laborer in necessary agricultural enterprise.

d. Necessary skilled industrial laborer in necessary industrial enterprise.

Class III.

a. Man with dependent children (not his own) but toward whom he stands in relation of parent.

b. Man with dependent, aged or infirm parents.

c. Man with dependent helpless brothers or sisters.

d. County or municipal officers.

e. Highly trained fireman or policeman at least three years in service of municipality.

f. Necessary custom-house clerk.

g. Necessary employee of the United States in transmission of the mails.

h. Necessary artificer or workman in United States armory or arsenal.

i. Necessary employee in service of United States.

1. Necessary assistant or associate manager of necessary industrial enterprise.

Class IV.

a. Man whose wife or children are mainly dependent on his labor for support.

b. Mariner actually employed in sea service of citizen or merchant in the United States.

c. Necessary sole managing, controlling or directing head of necessary agricultural enterprise.

d. Necessary sole managing, controlling or directing head of necessary industrial enterprise.

Class V.

a. Officers, legislative, executive or judicial, of the United States or of state, territorial or District of Columbia.

b. Regular or duly ordained minister of religion.

c. Student who on May 18, 1917, was preparing for ministry in recognized school.

d. Persons in military or naval service of United States.

e. Alien enemy.

f. Resident alien (not an enemy) who claims exemption.

g. Person totally and permanently physically or mentally unfit for military service.

h. Person morally unfit to be a soldier of the United States.

i. Licensed pilot actually employed in the pursuit of his vocation.

Member of well-recognized religious sect or organization organized and existing on May 18, 1917, whose then existing creed or principles forbid its members to participate in war in any form, and whose religious convictions are against war or participation therein.

Legal and medical advisory boards now being organized in every community will aid the registrant in making his answers. He will indicate in what occupations he considers himself expert and from that list it is proposed to create separate groups of men trained in any particular trade or profession should the need arise for them.

Pains, Dizzy Spells

Mrs. G. P. Cartwright, of Whitwell, Tenn., writes: "I suffered with bearing-down pains. . . The dizzy spells got so bad that when I would start to walk, I would just pretty nearly fall. Was very much run-down. I told my husband I thought Cardui would help me. . . He got me a bottle. . . It helped me so much that I got a whole lot better. The dizzy spells and the bearing-down pains. . . left me entirely." If you are weak and run-down, or suffer from womanly pains,

CRYING FOR HELP

Lots of It in Maysville But Daily Growing Less.

The kidneys often cry for help. Not another organ in the whole body more delicately constructed; Not one more important to health. The kidneys are the filters of the blood.

When they fail the blood becomes foul and poisonous.

There can be no health where there is poisoned blood.

Backache is one of the frequent indications of kidney trouble.

It is often the kidney's cry for help. Feed it.

Read what Doan's Kidney Pills have done for overworked kidneys.

Read what Doan's have done for Maysville people.

Mrs. E. Spahr, E. Second and Walnut Sts., Maysville, says: "Whenever I have heard anyone complain of kidney trouble, I have never seen Doan's Kidney Pills fail to help them. I have been greatly benefited by them myself. At times, my back has ached and I have suffered from lameness through the small of my back. When I have been in that way, I have used a box or two of Doan's Kidney Pills, which I get at Chanlor's Drug Store. They have always quickly removed the trouble."

Mrs. Spahr is only one of many Maysville people who have gratefully endorsed Doan's Kidney Pills. If your back aches—if your kidneys bother you—don't simply ask for a kidney remedy—ask distinctly for DOAN'S KIDNEY PILLS, the same that Mrs. Spahr had, the remedy backed by home testimony.

In The Day's News

Sir John Simon, who has given up his lucrative practice at the bar, and has placed himself at the disposal of the British Government, with a view to his serving with the army in France, has had a strikingly successful career, both as a lawyer and as a statesman. Educated at Edinburgh and Oxford, he was called to the bar in 1899 and became King's counsel only nine years later. In 1903 he was one of the representatives of the British Government in the Alaskan boundary arbitration. In 1906 he began his public career as a member of parliament, and in the decade that followed he held office successively as Solicitor-General, Attorney-General, and Home Secretary. When the Government decided on compulsory military service in 1916 Sir John resigned as Home Secretary and returned to the bar, securing again the enormous fees which were his before he gave up the law for politics.

GROCERS TO CLOSE

At 6 o'clock during Corn and To-
bacco Fair—Mr. Heffernan Re-
signs As Secretary of Grocers'
Association.

At a meeting of the Maysville
Grocers' Association Thursday night
Mr. James Heffernan resigned as sec-
retary and Mr. Carl Dadds was ap-
pointed to fill the unexpired term.

The committee appointed to ar-
range the booth at the Fair reported
progress. Quite a lengthy discussion
ensued relative to the arrangement
and decoration of same.

The committee appointed to investi-
gate the possibility of a Credit Rating
Bureau reported that it had been un-
able to get a report ready to present
at the meeting, but reported progress
and requested extension of time,
which was granted.

A motion was adopted that all gro-
cery stores close Thursday and Friday
nights at 6 o'clock during the Fair.

Mr. Jake Dinger will present a pa-
per at the next meeting on "The Re-
tail Grocer's Situation in Maysville
at the Present Time."

\$742.50 SUBSCRIBED

For Y. M. C. A. Work By Pupils of
Maysville High School Friday
Morning.

Friday morning at 8:30, Messrs. R.
A. Cochran and J. B. Wood talked to
the High School and Seventh and
Eighth Grades, asking them for sub-
scriptions for the War Y. M. C. A.
They told us that the High School at
Cynthiana had raised \$640 and that
they thought that we ought to be able
to do as well. The campaign started
in earnest soon after both men had
addressed us, and when the smoke
of the battle had cleared away, we
found that we had subscribed \$742.50.
Below is the list of subscribers.

We certainly commend the sacrific-
ing spirit of the boys and girls, who
were willing to pledge their efforts in
raising this money. Some of them
paid in cash, but the majority are to
go out and earn their subscriptions.
The young people seemed to be en-
thusiastic with the idea of putting the
right kind of environment and Chris-
tian influence around "Our Boys." We
hope that our boys, who are in the Y.
M. C. A. war camps, will get a copy
of the home papers and see how gen-
erously their younger comrades have
responded to the suggestions of the
boys at the front and in the camps
concerning their needs of Y. M. C. A.
facilities.

I would like to say to the parents,
that some of them at first may think
that the young folks have, in their en-
thusiasm, pledged themselves too
heavily, but when we consider the
home influences that are thrown
about our boys in the front through
the Y. M. C. A. and, too, when we con-
template the sacrifices that are being
made and, no doubt, will have to be
made before the war closes, let us be
willing for the rising generation to
assume their part of the responsibil-
ity, at least, when they go into it so
cheerfully and voluntarily.

scribed:

NEITHER SIDE YET CONTROLS IN PETROGRAD

Washington, November 16 — The
State Department received today from
Ambassador Francis at Petrograd a
cable under date of November 12,
stating there had been street fighting,
that control of the cable offices had
shifted several times and that the
Bolshevik government had not com-
municated with him in any way.

He informed the department he had
sent cables, but the messages be-
tween the 8th and the 12th are still
missing.

The harder the fighting the greater
the bloodshed in Russia, the sooner
the situation will be clarified, was the
opinion expressed officially at the
Russian embassy today.

"We regard reports of continued
fighting as good rather than bad
omens," a high embassy diplomat
stated.

"The more sanguinary the conflict,
the more decisive will be the ulti-
mate outcome.

"Russia is shaking herself free,
once and for all, from insidious in-
fluences which have undermined her
political structure and hindered the
establishment of a stable government.

"A compromise or indecisive ad-
justment now would only prolong the
revolutionary stage through which
the young republic is passing."

Every Loaf Spells Satisfaction

"O. K." will be the verdict of the entire
family the next time you bake if

A-1 PURITY FLOUR

IS USED

It is possible to make fairly good bread with other kinds of flour, but it
is next to impossible to produce anything but the best if you bake with
A-1 PURITY. This is because A-1 PURITY FLOUR is milled from
only the choicest, purest and cleanest Ohio Winter Wheat, manufactured
by the latest machinery under perfect sanitary conditions.
